20/20 ESP is an extra special pale ale. It is crafted with Vienna and Munich malt for caramel tones, El Dorado and Fuggle hops for a zesty melon aroma, a slight nutty-like note from our yeast, and a touch of beech smoke. We've designed the beer to cater to the sweet malt lovers, session-able-beer drinkers, and aroma hop enthusiasts. With proceeds going to the Sight First Grant Program we're starting 2020 giving 2020 vision to those in need.
